

# We're not doctors.

But we coordinate everything else.

Wellthy

# Wellthy is your family's modern healthcare concierge

With Wellthy, you get assigned a dedicated Care Coordinator (think: personal healthcare project manager).

Especially for families with chronic or complex care needs (adults with multiple conditions, spouse with a cancer, parent with dementia, sibling with mental health concerns), you will save time, money, and stress by getting Wellthy's expert Care Coordinators to help.

Get started at **wellthy.com** or call us at 877-588-3917.
