Get the most from your plan

Our Northwest-based Providence customer service team will help you make the most of your plan — even before membership begins. Some of the things we can do are:

✓ **Help find the right providers and specialists**

✓ **Transfer prescription medication**

✓ **Seamlessly transition existing care**

Convenient access to medication

Our preferred pharmacy retail network gives you access to more than 34,000 participating pharmacies, including retail, preferred retail, mail order and specialty. Our aim is to improve convenience and access to the medications you need. This helps you save time and money when obtaining prescription drugs.

✓ **Preferred retail pharmacies**

With a preferred pharmacy, you usually pay less when you fill a 30- to 90-day supply of medications. Nearly all our in-network pharmacies are preferred — including most major drug store chains.

✓ **Mail order pharmacies**

With many plans, using mail order allows you to purchase a 90-day supply of medications at a reduced cost and have them delivered to your home.

**For preferred pharmacy listings and mail order set-up,
