Estimate your health care costs with the Treatment Cost Calculator

Did you know that prices vary widely for the same procedures and services among providers and medical facilities?

Take control of your health care and make the most of your health care dollars. Save hundreds and even thousands of dollars with accurate costs and information on procedures and facilities close to home or work.

Sometimes providers suggest procedures, specialists, labs and other medical facilities without considering the cost differences between them. Before receiving care, use the Treatment Cost Calculator to learn about a facility or doctor and the estimated costs of your treatment, including possible exam and lab fees. You can also compare medical facilities to make sure you're getting the best care at the best price.

Learn what your range of costs would be for a procedure, and how your benefits apply. To get started, log into your myProvidence account from your computer, smartphone or tablet.

The screenshot displays the 'PROVIDENCE Health & Services TREATMENT COST CALCULATOR' interface. At the top, there are links for 'HOME' and 'MY BENEFIT DETAILS', and a 'Log Out' button. Below the header, a 'Back' button and a 'Print' icon are visible. The main heading is 'Compare providers for a better estimate', followed by a subtext: 'Now that you have a general idea of what your out-of-pocket costs might be, you should compare providers to get a more specific estimate.' The search section includes tabs for 'Physician' and 'Facility', a location dropdown set to '5 miles from Portland, OR 97202', and a 'SEARCH' button. Below the search bar, there's a 'Filter' option and a 'Sort by' dropdown set to 'Your Out-of-Pocket Estimate - Low'. The results list two providers: Edelson, Richard H, MD and Greenleaf, Jonathan E, MD. Both are 'In-network' and located at 'Sports Medicine Oregon - Downtown'. The estimated total cost for both is \$3,750, and the user's responsibility is \$188. A 'Compare' button is visible next to the second provider.
