Get the most from your plan

Our Providence customer service team will help you make the most of your plan — even before membership begins just call **503-574-7500**. Some of the things we can do are:

- ✓ **Help you find a medical home of your choice**
- ✓ **Guide you to the right providers and specialists**
- ✓ **Transfer prescription medication**
- ✓ **Seamlessly transition existing care**

Convenient access to medication

Our preferred pharmacy network gives you access to more than 36,000 participating pharmacies, including retail, preferred retail, mail order and specialty. You can conveniently access the medications you need and save yourself both time and money when obtaining your prescription drugs.

Preferred retail pharmacies

With a preferred pharmacy, you usually pay less when you fill a 30- to 90-day supply of medications. Nearly all in-network pharmacies are preferred — including most major drug store chains.

Mail order pharmacies

With many plans, using mail order allows you to purchase a 90-day supply of medications at a reduced cost and have them delivered to your home.

Specialty pharmacies

When it comes to ordering specialty medications, you can count on a specialty care coordination team that's available to assist. Your care team will help coordinate benefit plans, costs and access to medications, so that individuals can achieve their health goals at the lowest net cost possible.
