# \$How Much Your Coverage Costs

Your Basic Life insurance is paid for by Pacific Northwest Consulting Engineers Health & Welfare Trust. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

**NOTE: You are only required to be insured under Basic Life in order to elect coverage for your dependents.**

Use this formula to calculate your premium payment:

÷ 1000 =

x

=

Enter the amount of coverage you are requesting (see benefit amounts in the About This Coverage section).

Enter your rate from the rate table.

This amount is an estimate of how much you would pay each month.

If you buy coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate.

If you buy Dependents Life coverage for your child(ren), your monthly rate is \$0.07 per \$1,000, no matter how many children you're covering.
